UAH CATHOLIC CAMPUS MINISTRY RENOVATIONS AND WELCOME!

This semester has been one of immense growth for UAH Catholic Campus Ministry. This summer we purchased a house to be our new campus center! We spent the first part of the semester renovating the house with lots of generous help from our students, and had our first meeting in the house on October 15th. We kicked off the semester with our 2nd Annual Charger Catholic Cookout and Mass on campus.

Campus Center

.....

We celebrated our new center with a student open house and bonfire on October 15. Our first Mass was on the eve of All Saints Day with over 50 students in attendance. The Sister Servants came to visit us and in November we had our first Holy Hour with Exposition and Adoration.
